mettaphor.com

vocals - saxophones - guitar - chillbeatz

mettaphor are 100% independent original australian artists
freestyling live over homegrown beats with funky riffs

funky nujazz – soul groove

making our living as minstrels is something we dont take for granted,
we have to keep it real, hold onto our belief & put out the love –
love of making feel good music as a soundtrack for life,
the moment space or gathering & our thing is creating
funkyjazz affirmations = its sonic love

angelika heinrich = alto/soprano sax vocals
kaeleen hunter = guitars & beatz vocals

Based on the sunshine coast mettaphor are 100% original & independently produce/engineer/record all our music –

its homegrown organic & chemical free goodness

metta = loving kindness *phor* = for you
